House Athletics 2010
On Friday August 6th the 38th annual House Athletics sports were held on the Athletics track. The day ran smoothly except for a few showers with many students excelling in track and field. The senior students led the day with their superhero costumes but the parade was won by Casey McDonald and Renee Owen being Captain Cerberus and Lieutenant Leeuwin. Thanks to all the other students who dressed up and made the parade a highlight of the day.

Athletic House Totals
Leeuwin 454
Huon 404
Cerberus 367
Encounter 346

Congratulations to Leeuwin and the medal winners.

Record Breakers
Jack Goddard boys 12-13 years 1500m
Laz Cuttriss Boys 14 Javelin
Georgia Cox Girls 12-13 years 200m
Kyle De La Haye Boys 17 Shot Put
Brianna Johnstone-Greening Girls 14 800m

Thanks to staff, students and parents for their support to make this day a success. The next stage is on Thursday September 2nd in the Peninsula District competition at Ballam Park. We hope to achieve an even better result than last year.
Hello to the Western Port Secondary College community. We are now well into Term 3 and it is particularly important that Year 12 students maintain a conscientious school work and home work routine until the finish of the year. This may require reducing part time work hours or sporting commitments in the next few months. The outcome of Year 12 will have a major impact on future pathways. It is critical to make the most of this opportunity.

On the 6th August the College held its annual athletics day. While the day was rather cold and wet we were pleased with the participation of students who put in a fantastic effort under trying conditions. We will have presentations of athletics awards at our next assembly.

On Wednesday 28th July we held a very successful Senior Expo. Western Port Secondary College prides itself in providing a range of pathways for all students. We encourage all parents and carers to discuss with their child the choices they are making and how this will assist in providing a work pathway into the future.

Recently, Assistant Principal. Michael Devine, and Beacon Coordinator, Gina Mathers, attended the Beacon Conference in Sydney. The College was nominated for five awards including the “Most Outstanding Beacon School” which we won in 2009. The College is proud to announce that we won the National Excellence Award for “Most Outstanding Business Engagement”. This is a credit to the large team at the College who help coordinate the various Beacon events throughout the year.

On 12th August members of our Beacon Team and two of our Beacon Ambassadors, Hayley Whyte and Jake Bromley, attended a Beacon event to celebrate ten years of Beacon at Government House. This was a wonderful event at which we heard a range of speakers including the Governor of Victoria, Professor David de Kretser. The event highlighted the importance of Beacon work within our school and how this impacts on students’ better understanding of work and study pathways after completing schooling.

Last week we were nominated at the Tidy Towns Awards for “Sustainable Communities”. The overall state winners will be announced at a function in Beechworth to be attended by Hannah Lewis. This continues the recognition of the important work Western Port Secondary College is completing in this area.

Organisational matters
Please make sure that subject selection sheets for year 10-12 (2011) are submitted by the due dates. If you have any concerns please contact a member of the Senior Sub School Team via the front office. Course counselling in small groups is continuing this week.

If your child arrives late to school or is leaving early please supply a note with a reason. All students are to sign in/out via the front office. If your child has an unexplained absence by the end of period 1 you will be notified via SMS.

We are now expecting all students to be in correct uniform as stated earlier. We would also remind families that students are required to have the correct jumper with colder months ahead. The College will not accept that hangs out under uniform items such as long sleeve tops under polo tops.

Andrew Nicholls
Principal

CURRICULUM

Major assessment and homework tasks
The winter months have found a number of teachers ill over the last month and a half. This has resulted in some major assessment and homework tasks being put back by a couple of weeks. For you this will mean your child may receive a major assessment/homework task later than expected. The due date will be renegotiated and your child will be advised when that will be. Every effort will be made to adhere to the original dates due. Please be supportive of staff if the date is renegotiated. If you have any queries concerning this matter please do not hesitate to contact me during office hours.

Jill Mathers
Curriculum Coordinator
I have been working with a wide range of students in forums and as part of the Student Action group in the last twelve months, looking at what students want from their school. As a starting point we looked at the results of the Student Opinion Survey, carried out in every state school annually. In the past the School Leadership Team analysed the data and used it to inform decision making. In more recent years staff have been shown the results of the staff, student and parent opinion surveys and have been actively involved in discussing and looking at changes we need to make.

Last year I showed 60 students the results of the Student Opinion Survey for the first time and they were involved in discussing the results and developing an action plan for change. This year we have seen significant upward trends in years 7 and 8 in terms of students’ opinion of school, the curriculum and their relationship with their peers and teachers. The students I have worked with in forums are telling us that they want to be learning about relationships, and about other people in the Footprints Program and that they want to be interacting with other year levels. They want opportunities to develop their leadership skills.

They want to know why they are learning things and how they can apply their learning beyond the classroom. They want help and guidance with pathways and career planning. ‘We need to see where and how we will use things and what the skills will be useful for’. Students also said that they want a firm approach to discipline and like the emphasis on the orderly environment where clear boundaries and rules are set.

They have come up with valuable suggestions for changes to the curriculum which they will be presenting to the Curriculum Team, for example: ‘Working just out of the Maths textbook is boring. We need more design/engineering projects.’

We will be continuing to make sure that students have structured opportunities to have their voices heard and to participate in decision making about their school. We have raised the bar at WPSC and the students have indicated that they want this. We want them to continue to have high expectations of themselves, their teachers and their school.

Hannah Lewis
Assistant Principal

Recently the Hastings branch of Westpac Bank hosted a Community Arts day and invited a number of artists to paint their favourite images of Hastings which will soon be auctioned off at a fundraiser for local charities. Four of our VCE Art students were also invited to paint in addition to a group of senior art students who created chalk drawings on the pavement in front of the bank during the day. I received a letter from the Local Business Banker at the branch the following week who wrote “a great day had by all”. We all thought the effort & contribution made by the students was fantastic & I hope they too got a bit out of it. A great community feel from everyone which is what we were seeking”.

Another example of our school and our students working with our community of Hastings to achieve positive outcomes. My thanks to Jean Sheridan our Art leader for her help organising the students and accompanying them on the day.

By now most senior students should have submitted their course selection sheets for next year. Again it is important that these are done with careful and thoughtful consideration to students preferred pathways. If there are any concerns from students or parents please don’t hesitate to contact one of the senior school team. Any student or parent interested in knowing more about Chisholm Mornington Peninsula and the courses on offer are welcome to attend an information session on Wednesday 25th August 6.00pm at the campus corner Boneo Rd and Henry Wilson Drive Rosebud.

Michael Devine
Assistant Principal

NUMERACY

To celebrate Numeracy week, the maths department will be having a presentation of resources and demonstration of Maths activities. This will be in the Hex from 4pm till 5pm on Thursday 2nd September. Any enquiries to Jacqui Smith.

On Friday the 30th of July, a range of students from different classes throughout the school planted over 400 plants and grasses. These were planted around the new fence at the front of the school, around the car park area and the art tech wing, which is soon to become an outdoor art room. We would like to congratulate and thank all the students and helpers whom participated in the days planting. The day was a complete success, with the weather been grateful too.

On the 12th of this month, two students from W.E.T (Westernport Environment Team) had the honor of representing the school at the Briars Eco House. There the school was named a finalist in the Energy category for this year’s Tidy Town and Sustainable Communities awards in Beechworth. Miss Lewis will have the opportunity of attending this year’s award ceremony and presenting our schools achievements at the Sustainable Communities Expo.

We need your help so help support our committee achieve our goals.
Thank you and remember;
IF NOT YOU; WHO?
IF NOT HERE; WHERE?
IF NOT NOW; WHEN? Go Green and support the Environment.

ART ATTACK

Welcome back to term three and congratulations to all the students who received ‘arts’ awards at our first school assembly. Kayla Bentley one of our art captains did a wonderful speech about what has been happening around the school in terms of the arts, from the earthy front fence and tree mural to the little ceramic sculptures sprouting up in all our gardens, Western Port Secondary is really becoming a showcase of our students talents. As you turn a corner a new thing appears, BUT there are still areas without our creative stamp, so if you have an idea, bring it to one of your art teachers and lets put these ideas into reality.

Don’t forget if you want to get involved in any of the extra art activities for this term, come down to the art department and put your name down, we are at present working on some mosaic pavers and we neeeeed help, and we will be starting the rotary mural very soon. Term 4 when the weather warms up we will be back out on the streets painting footprints.

Wanted: If anyone has any old magazines for cutting up (fashion, fishing, car, animal), old towels, old shirts, these would be gratefully received by the art department.

The adventures of Year 10 pretending to be Jackson Pollock and learning about ‘action painting’

We started with a blank canvas, and we started to flick

Then we got our hands really dirty

We danced on it

We started to throw paint!

We all had to walk on it

We finished! It took 4 lessons, it was great fun, we called it ‘Happy Rainbow’
Hastings Literacy Festival
Monday 30th and Tuesday 31st August
At Westernport Secondary College

What is the Hastings Literacy Festival?

The Hastings Literacy Festival comprises a range of activities designed to increase the awareness of literacy skills in the community and provide opportunities for students from local primary schools and year 7 students from Westernport Secondary College to practice and celebrate their efforts and achievements in literacy. Activities include two days of workshops for students, an evening presentation featuring encouragement awards, writing competitions and a community award. Displays of student work can be seen in the Hastings Library from Monday 23 to Friday 27 August. Student work is featured in the Independent newspaper. Western Port Secondary College is proud to be the host of this important community event in 2010. Schools participating in 2010 are Hastings, Hastings West Park, Crib Point, Tyabb, Tyabb Rail and St Josephs.

This year all year 7 students at Western Port Secondary College will participate in the festival. Their program will feature Sean Willmore, writer, park ranger and founder of the Thin Green Line foundation. All students will also do a workshop with local author and illustrator, Mark Wilson.
The participating primary school students visiting for the festival over the two days will have a range of writers, story tellers, illustrators and poets. This year the Festival features Chris Milne, Jacqui Grantford, Jo Hinchcliffe, David Keystone, Kerry McColl and Gail Higgins at the Hasting Library.

Writing Award
The writing competition is an opportunity for students to practise their skills and be judged against their peers. Students in all age groups were asked to complete a recount. The winners will be announced at the Award evening on 31st August.

Evening Awards
The night session of the festival, will be held on Tuesday 31st August in the Arts Centre at Westernport Secondary with Tony Barber the guest speaker. Writing and Encouragement awards across all age groups and the Liz Edmends award will be announced at the evening.

Sponsors
The Literacy Festival is an important community event bringing together primary schools, Catholic schools, the Hastings Library and Western Port Secondary College. Thanks is extended to the major sponsors, The Mornington Peninsula Shire, Bendigo Bank, Hillview Quarries, Bittern Market, Lions, Hastings Rotary, Westernport Chamber of Commerce, Teacher Resource Bookshop, Galaxy Print, Hastings Club, and the Independent News.
Dear Parent (student)

The way students get to and from WPSC impacts upon health, safety, time and the environment.

We are interested in improving student’s ability to get around Hastings and would like to talk to you and students about this topic.

Complete the form below if you or another member of your family is interested in talking with us for a short time about school travel. Once you have completed the form below, please return it to your school as soon as possible. We will then contact you to provide you with more information about what is involved and an informed consent form.

Thank you

Justen O’Connor
Monash University

Contact Details
It has come to the attention of the general office that many students contact details are not up to date. **It is imperative that we have current contact details for the student and their emergency contacts.** In the event of illness or injury we need to be able to contact you. Several times recently when we have attempted to call the numbers are not correct or are no longer connected. Please ensure that if you change your phone numbers, you inform the school immediately. If you are unsure please contact the office to be

Year 7 & 8 Swimming Program
We will again be running this most valuable program at Point Leo. A flyer for year 7 & 8 students is attached with your newsletter. The compulsory program for all year 7 & 8 students is run in conjunction with Surf Life Saving Victoria, and is considered an integral part of the overall development and well being of students.

Water Safety is vital living in a community such as ours, with all manner of water based activities. The program runs over two days. The first involves a one period session with SLSV at the College where we focus on resuscitation “Resuscitate a Mate”, the second is a full day program of beach and water based activities conducted at Point Leo.

Total cost of the program, which also includes transport is $22 which must be paid before September 10th. Indemnity forms will be sent home in the next week.

Western Port secondary College use Landmark School Supplies for all our needs each year. They are located in several areas, our Closest being 13 Hi Tech Place Seaford.

Should you need to contact them please contact the general number which you will also find on your booklists and other items supplied by Landmark.

FIRESE Vehicle Access & House Numbers

Vehicle Access – Your local Fire brigade have identified access for fire trucks onto some properties as a real concern. Fires happen everyday – not only in the bush, but also in the home. Can we get a fire truck into your property to help you?

Fire trucks are very large vehicles and they need room to be able to enter your driveway and pass down it unhindered. A CFA tanker is 3 metres wide, 3.2 metres high and 7.5 metres long. A driveway needs at least a four by four metre clearance and adequate access through gates. Bridges and culverts on private land also need to be able to carry the weight of a fire truck, which is 15 tonnes GVM.

House Numbering - Some properties do not have a house number on display, or have a number that is not clearly visible from the street. We have particular problems with properties that have a shared driveway, with some signage being very unclear.

Anyone may need the assistance of emergency services at anytime and in this situation minutes lost can be critical, even fatal. The law requires you to have a clearly displayed number on the front boundary of your property near the letterbox or driveway.

By fitting or replacing your house number immediately, emergency, postal, and other services will be able to identify your property more quickly maybe saving critical minutes and a family member’s life.
Senior School

Invitation to Government House
Celebration of the ‘Growth of and impact of Beacon in Victoria in the past 10 years’

On 12th August members of our Beacon Team and two of our Beacon Ambassadors travelled to Government House to celebrate Beacons role over the last ten years. It was a wonderful event at which we heard a range of speakers including the Governor of Victoria, Professor David de Kretser. The night focussed on the importance of Beacon’s work within our school and how this impacts on students’ better understanding of work and study pathways after completing schooling.

In front of the “Queens Seat”. Andrew Nicholls, Gina Mathers, Kriti Beaglehole, Jake Bromley, Hayley White, Rode Kitchen & Brain Stahl.

Hayley Whyte, Bill Lawson, Kristi Beaglehole and Jake Bromley.

In the ballroom, but clearly “Astro the Guide Dog Ambassador” picked out his favourite, the food guy just out of shot.
On Tuesday the 27th of July, the year 10, 11 and 12 students met at the WPSC gym ready for a 1.00 am departure to Mt Hotham. We arrived at the snow where it was minus two degrees. After breakfast we collected our ski gear. Once we were all dressed, we headed out to the slopes for a quick run before our skiing lesson. Our skiing lesson was exhausting initially but eventually we started to get the hang of it. We learnt about heel side and toe side. After lunch we headed back out for some more skiing. As it was some students first time skiing, they stayed on the Summit trainer, which was about 1/6 of the size of the full Summit. Even though it was such a small run several students still ended up on their backsides quite regularly. It was funny at the time and very painful the next morning. That night after dinner we were given the option of staying inside and watching movies or going out to do night skiing. This was a bit of a strange experience for some people but everyone seemed to have fun. Just about everyone agreed that the ski camp was one of the best that they had ever been on.

We would like to thank all the teachers, Ms. Stephenson, Mr. Smith and Matt Bodley for coming along as, after all, it would not have run without them. We would also especially like to thank Mr. Hefferman for all the time spent organising the camp. All in all we had a great three days of ripping up the slopes at Mt. Hotham.
Out of Bounds!

Is your child hurting or abusing you?
Breaking things around the house?
Do you feel you are losing control?
Want to handle conflict better?

Reclaim Calm and Respect in your family!

Does your child have a teen Voucher?

If so please call Reception at Hastings Family Dental Care on 59791717 to arrange a FREE dental visit for your child.

Here at Hastings Family Dental Care this service is BULK BILLED so there are no out of expense fees which means that you do not have to pay any money for your teens check-up and preventative treatment. Just present the voucher with your child’s Medicare card at the appointment.

The teen dental plan has been initiated by the government to provide financial assistance to eligible families to help assess the health of their teenagers’ teeth and to introduce preventative strategies to encourage lifetime good oral health habits. Parents are reminded that teenagers are at a particularly vulnerable period of their lives when they can be highly susceptible to oral disease such as tooth decay and gum disease for a variety of reasons and so are urged to make use of their opportunity to access this free voucher.

If you have misplaced your Medicare Teen Dental Voucher call Medicare on 132 011 to request a replacement.
Hastings has a new Zen Do Kai Freestyle Karate School. It has opened at Pelican Park on Thursday evenings. The instructor is "Sensei" Peter Smedley. He is a third degree Black Belt. Senior classes are at 6.30pm. The first lesson is free of charge, so it's a great opportunity to see if you like it! Peter is happy to answer any questions you have, so you can contact him on 0418 319 064.
