Hello to the Western Port Secondary College community. I hope everyone is refreshed and looking forward to the challenges of 2011. It has been great to see all our new Year 7 students settling into the routines of secondary schooling.

Building works are now underway and it is pleasing to see the progress already being made in the old gym area. The new gym will sit forward of the previous one and will have a properly sprung floor. There will be new hospitality facilities behind this opening out to the kitchen garden area of the College. There will be other stages of works occurring throughout the year and students will be notified when areas become out of bounds or access changes. We will keep you informed about works via the College website.

Conratulation to our College Dux Lewis Hickey who scored an ATAR score of 86. We wish Lewis success in his further education. Caitlin Latham was successful in gaining a Monash University Scholarship to assist with her studies.

We were pleased to hear recently that Kayla Bentley from Year 12, 2010 was the winner of the Mornington Peninsula Shire Young Citizen of the Year. Kayla was a wonderful student whilst attending Western Port Secondary College and contributed in many ways including being the Arts Captain during 2010. We wish Kayla success in her illustration course at Chisholm TAFE.

Recently we launched our new improved College website. Please take some time to look at the content as we have now have better menu formats and up to date information. We will be continually updating sections and have a new link covering the current building program. We invite any feedback via the “Contact Us” link for improvements and hope it is a valuable resource for you.

Organisational matters
If your child arrives late to school or is leaving early please supply a note stating the reason. All students are to sign in/out via the front office. If your child has an unexplained absence by the end of Period 1 you will be notified via SMS and can reply by SMS. Students are not to leave the College without approval during the school day.

The uniform shop is now open on site and soon there will be a Beleza shop opening in Somerville. **Shoes must be plain black polishable lace up or T-Bar style.** If you are buying new shoes please contact the College if unsure, we have printed photographs of approved shoe styles. **A number of students have been found wearing canvas style shoes which are not accepted under any circumstances.**

The College has arrangements with Bata in Mornington and Carrum Downs for a 20% discount on College approved shoe styles as well.

Late last year a number of students were found to be bringing cartons of energy drinks to school to sell. Under DEECD guidelines we are not to sell or provide these drinks to students due to health concerns and as such students are not to bring them to school to drink or sell. Any student found doing this will have them confiscated and their parents/guardian contacted immediately.

**Andrew Nicholls**
A big welcome to the 2011 school year and in particular, to new students and their families. 2011 is a very exciting year for us with the construction of our major building project. I have included a copy of our master plan in the newsletter and will be making regular updates to the Building Project page on our webpage. We look forward to having a new Gym and Food Technology facility as well as a new canteen, staffroom, student toilets, ICT rooms and significant landscaping, by the end of the year. Could I remind all the school community that the building site is strictly off limits for obvious OHS reasons.

Car parking is at a premium so could I please ask that parents move through the car park as quickly as possible to allow traffic, in particular buses, on site. Please do not stop at the entry to the car park as this causes problems for incoming traffic. Could I also ask that visitors do not park in the disabled car park unless they have a visible disability card. There have been a number of instances where parents with a disability have not been able to park and we do not want to embarrass people by having to ask them to move. We would appreciate support with regards to these issues.

As well as the commencement of the building project we now have a new wetland. Hands On Learning students did a great job of converting the Hilton hen-house into a bird hide in term four last year. Excavations for the wetland thus were completed in the holidays and it quickly filled with all the rain. We have several resident families of ducks and the environment group will be planting out the area in Autumn. This will be a great resource for the study of science and other subjects.

Immunisation cards were distributed to Year 7 students last week. I have included the immunisation dates below. Please note the dates on your calendars. If your child is absent on the day, you can contact the Mornington Peninsula Shire Immunisation Team on 59501647 to get information about free immunisation at the Hastings Shire office.

Year 10 immunisation cards will be distributed in mid March.

- **1st March** – Year 7 Hepatitis B (Dose 1) and girls Gardasil (Dose 1)
- **3rd May** – Year 7 Chicken Pox and girls Gardasil (Dose 2)
  
  Year 10 Boostrix

- **6th September** – Year 7 Hepatitis (Dose 2) and girls Gardasil (Dose 3)

I look forward to working with your children this year.

Hannah Lewis

**Assistant Principal**
From The Assistant Principals

Building Plans for Western Port Secondary College 2011
Last week we had a Senior School assembly to welcome back all students in Years 10, 11 and 12. Several of our student leaders were introduced and spoke to the group including the school captains Ben Herbert and Amanda Alkamade, vice-captains Matthew Johnson and India Clifford and sports captains Megan Romeril and Blake Reynolds-Hoghan Keogh. I would like to congratulate these students on achieving their positions and wish them well for the year – I am sure they will do an excellent job.

At the assembly I also spoke to the students about some recent data and information that has become available on young people in the Frankston/Mornington Peninsula area that the senior teachers and I had looked at recently. The data related to two groups of students, those that completed a Year 12 program and those that didn’t, as well as information on what were the growing job opportunities available to young people in the Frankston and Mornington Peninsula area that would offer them the best and most sustainable ‘work/life’ balance into the future. There were some very clear outcomes in the evidence including; the best job opportunities required at Year 12 or equivalent at the entry level, those students that completed Year 12 were significantly more likely to continue into further study at University, Tafe or through a VET course. Early school leavers (those that left without completing a Year 12 or equivalent course) were significantly more likely to exit into unemployment (or ‘looking for work’) or marginal employment (minimal part time hours). It was also revealed that this employment was likely to be in unskilled positions that offered little or no further training or development. Perhaps most disturbing was the statistic that early school leavers were twice as likely within one year of leaving to be marginally employed or unemployed. The message from this data and information was clear; those that complete a Year 12 course whether it is VCAL, VCE or VET had a significant advantage in careers and educational pathways than those who did not. I asked students to consider this information and how it might inform the decisions they make as the year progresses.

Michael Devine
Assistant Principal
**Middle Years**

---

**Year 7 Family Pizza Night**

**Date:** Wednesday 2\(^{nd}\) March 2011

**Location:** Western Port Secondary College

*In the front courtyard*

**Time:** 5:30 – 7:30pm

**Agenda:**

* Informal chats with teachers, including Footprints teachers

* Eat pizza and enjoy the atmosphere

* 6:45pm – Phillip Island Camp information and major project details

* Evening to conclude at 7:30pm

* Parents & Friends Association to provide tea and coffee

**PLEASE RSVP THE FRONT OFFICE BEFORE THE EVENING ON 5979 1577**
**SPORT**

**Bogong Camp 2011**

**Sign up now!!!**

It is time to think about an adventure, challenge and all round fun experience. If you’re in Year 9, now is the time to sign up for the Bogong Camp experience. The Bogong Camp is set amongst the Bogong High Plains just 15Km from Falls Creek Ski resort and 16Km from Mt Beauty, North Eastern Victoria. The camp is run by the Department of Education and is surrounded by the Alpine National Park, roughly 380km from Melbourne.

The Bogong Outdoor Education Camp BOEC, is equipped for a variety of adventure activities such as indoor and outdoor rock climbing and abseiling, high ropes, the leap of faith, canoeing, rock hopping, rogaining, initiative activities and overnight bushwalking. All activities are supervised by qualified staff and are set to challenge students. The BOEC is a unique opportunity to take part in some fantastic challenging and initiative activities and will be one camp you will never forget! There are 24 spaces available for camp which will run from the 2nd to the 7th of May early in term 2.

For more information please see Miss Stephenson

**HOUSE SWIMMING SPORTS**

The House Swimming Sports was held on Friday February 18th at Pines Forest Aquatic Centre, Frankston North. The theme this year is TV shows and Movies.

All students were expected to attend as it is a normal school day; therefore a note for absences will be required

CONGRATULATIONS!
2011 Victorian Youth Track and Field Championships  
Friday 25th—Sunday 27th February at Olympic Park  
Melbourne

Take to the track and fight it out in the field for one last time, as we invite all members of the Victorian athletics community to compete and farewell our home of the past 96 years.

To enter or for further information on the Championships, please contact Athletics Victoria office on (03) 94288195 or via email, info@athsvic.org.au.

Entries for the Victorian Youth Track and Field Championships close 5:00pm, Thursday 10th February, 2011.

SCHOOL SPORT VICTORIA

Welcome to School Sport Victoria's first full year! After three very intensive years of review, negotiating and planning, it is now with great excitement and anticipation that we embark on the new structure of School Sport in Victoria (SSV). School Sport has new competition boundaries, new competition pathways and new membership structures so please take the time to review this E-Bulletin as it contains the latest information on what is happening in School Sport.

School Sport Victoria (SSV) actively promotes school sport for all Victorian school students, Years 4 to 12, as a means of supporting schools in developing their students' health and well being. SSV operates under the auspices of the Department of Education and Early Childhood Development. Membership of School Sport Victoria is open to all Victorian schools, providing the opportunities to participate in programs that extend from grassroots intra and inter school sport, to district, division, region, conference, state and national levels. Students attending schools affiliated with SSV are eligible for selection in Victorian Teams to compete in 2011 School Sport Australia National Championships. Further information is available from your School's Sport Coordinator or on the School Sport Victoria website, www.ssv.vic.edu.au. Parents and teachers are encouraged to regularly visit the site.

MORNINGTON PENINSULA SHIRE WET NOVICE SWIMMING CARNIVAL

$9 per competitor  
Entries open to all local students  
FRIDAY 18th MARCH  
Held at Crib Point Swimming Pool, Governors Road, Crib Point  
Starting Time: 5pm  
Food and refreshments available
Numeracy at Western Port Secondary College

I would like to remind all parents and students that the Numeracy centre is based in the HEX, and commencing on Monday 14th Feb, will be open at lunchtime on Monday and Friday for students from any year level wanting help with their Maths. The centre can also be open after school until 4.30 pm from Monday to Thursday if students make prior arrangements with me. If you have any queries regarding our programs please feel free to contact the College and speak to me.

Jacqui Smith
Numeracy Co-ordinator

VCAL (Victorian Certificate of Applied Learning)
& VET (Vocational Education Training)

All students in the VCAL program must do a VET subject.

VET payments all need to have been paid in full by the commencement of Rollover. If VET and VCAL have not been paid for, students will need to make an appointment with Senior School staff to select another VCE subject, in place of the VET subject and they will be withdrawn from VCAL. Students will need to select new subjects from the mainstream VCE subject list.

Please contact the office should you have any questions regarding payments.

Complimentary Family Passes to VCE Success Seminar For Yr 9/10/11 students.
Education Maintenance Allowance information

Information for 2011

The Education Maintenance Allowance (EMA) is provided to assist eligible families with the costs associated with the education of their children.

To be eligible for receipt of the EMA you must:

- be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
- be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the State Concessions Act 2004 or be a Veterans Affairs (TPI) pensioner or be a foster parent.

Consequently parents/guardians are able to access the EMA if they have a valid Health Care Card or valid Pension Card.

The eligibility criteria must be met as at the first day of Term 1 (1 February 2011) which is the first day for teaching staff) and Term 3 (18 July 2011).

The EMA application must be submitted to the school by 28 February 2011 for the first instalment and 5 August 2011 for the second instalment.

The EMA provides an annual amount of $230 for primary students and $460 for secondary students and is paid in two instalments. This amount is split evenly between the parents/guardians and the school. Students turning 16 years in 2011 will be paid on a pro rata basis.

Payment Amounts

</tr>
</tbody>
</table>

*Student year level (or age for ungraded and special school students) will form the basis for calculating the amount payable to parents and schools.

Parents with continuing eligibility, who are paid the first instalment of 2011 through this school will not be required to complete a new application for the second instalment. Parents who transfer children to another school after 28 February 2011 and prior to or on 5 August 2011, must reapply at the new school for the second instalment.

Contact: School Office for application form and further information.
Allergies, Anaphylaxis and Asthma

Allergies occur when the immune system produces antibodies against substances in the environment (allergens) that are usually harmless. Once an allergy has developed, exposure to the particular allergen can result in symptoms that vary from mild to life threatening (anaphylaxis).

Anaphylaxis is a severe, rapidly progressive allergic reaction that is potentially life threatening. Although allergic reactions are common in children, severe life threatening reactions are uncommon and deaths are rare. However, deaths have occurred and anaphylaxis must therefore be regarded as a medical emergency.

Anaphylaxis Management Plans

Every student who has been diagnosed as at risk of anaphylaxis must have an individual Anaphylaxis Management Plan.

The student’s Anaphylaxis Management Plan should clearly set out:

- The type of allergy or allergies.
- The student’s emergency contact details.

Practical strategies to minimise the risk of exposure to allergens for in-school and out of class settings, including:

- During classroom activities
- In canteens or during lunch or recess times
- Before and after school, in the yard and during breaks
- For special events such as excursions, sports days or class parties
- For excursions and camps

- The name of the person/s responsible for implementing the strategies

Information on where the EpiPen will be stored.

The Anaphylaxis Management Plan should also include an ASCIA Action Plan, which sets out the emergency procedures to be taken in the event of an allergic reaction.

Parents Please Note: It is the responsibility of parents/carers to complete an Action Plan, in consultation with their child’s medical practitioner, and provide a copy to the school. This Action Plan must be signed by the student’s medical practitioner, and have an up to date photograph of the student.

Fact Sheets can be downloaded from the Department’s Student Wellbeing website at www.sofweb.vic.edu.au/wellbeing/support/anaphyl.htm

If you have any concerns or queries regarding this, please do not hesitate to call Monique DeRoche (Adolescent Health Nurse) at Western Port Secondary College 59791577.

Copies of this form will soon be available for download from the school website, or please contact the school for a copy to be sent home to you.
Asthma Action Plans

As your children head back to the classroom next year we are encouraging parents to make sure that your school is provided with an up-to-date Asthma Action Plan. An Asthma Action Plan assists your school in caring for your child as it provides detailed information on how to manage your child’s asthma. This plan should:

- Be completed by the student’s parent/guardian in consultation with the student’s doctor
- Outline how to care for day-to-day asthma (listing normal medications that have been prescribed and how often they should be taken)
- List key symptoms or special features that indicate the student’s asthma could be worsening or an ‘asthma attack’ is developing and the steps that should be taken to manage it
- List symptoms that are serious enough to need urgent medical assistance (i.e. ambulance)
- List the Asthma First Aid procedure for an asthma emergency
- List the name and contact number of the parent/guardian, emergency contact and student’s doctor
- Be easily accessible for all school staff
- Be updated annually or when a student’s asthma changes significantly.

If an Asthma Action Plan is not provided, school staff will follow the Victorian Schools Asthma Policy 2006 for Asthma First Aid, which is a standard national asthma first aid protocol. The Action Plans will soon be available for download from the school website, or you can phone the college for a copy to be sent home.

For further information, please call the Asthma Telephone HelpLine on 1800 645 130 or visit The Asthma Foundation of Victoria’s website www.asthma.org.au or www.asthmafriendlyschools.com.au

*It is also imperative that student emergency contact details are up to date*

---

**BUS PASSES:**

The College buses are not to be used as transportation to get to and from friends houses. If you require a “one off” bus pass for a legitimate reason, you must provide a note stating the reason and signed by a parent/guardian. 24 hrs notice must be given and all requests are to go to Meaghan at the General Office. Please keep in mind that buses may be at full capacity.
Important Information
Process for students Re Attendance

It is expected and important that all students attend Form Assembly. This is where notes, indemnity forms and other important information is handed out and discussed. If your student is late or missing from Form Assembly an SMS informing you of their absence will be sent to you.

To avoid this, any student arriving late should:

- Have a note and proceed via the general office where a late pass will be issued. If the absence is with a note, or approved from home the SMS will be cancelled.
- If there is no note, it will stay on the student’s record that they were late.
- The student will be issued with a pass that they must hand to the form teacher who will change the roll.
- If this process is not followed and the student presents straight to class without a late pass the SMS message will still be sent. This can also occur if they arrive during session change.
- Please ensure your student is aware that they must proceed via the office to be marked present if late.

It is also expected that students will have a note from home with a valid reason for their lateness. This causes unnecessary interruptions and disrupts the entire class. The only exception is VCE students with registered study periods.

Pre loved Uniform Items Wanted.

In 2011 we would like to offer a pre loved uniform service to our WPSC community. Items must be current official WPSC uniform, in as-new condition and freshly laundered. If you would like to help get this service off the ground, please forward items with contact details securely attached to the school office. This is a trial for 2011 and it is anticipated that, as uniform items are purchased, (at up to half RRP), monies will be forwarded to sellers.

Thank you for your support.

Lynne Lee

Children under 15 years who work in Victoria are protected by child employment laws.

In many situations a Child Employment Permit is required. Child employment laws have recently been streamlined to ensure that children are well protected and the system works smoothly for employers. The reforms come into effect on 31 December 2010.

For more information, please call a Child Employment Officer on 1800 287 287 or visit www.workforce.vic.gov.au

Department of Innovation, Industry & Regional Development

More detailed information or further material on the Act and the implications on schools is available by telephoning a Child Employment Officer on 1800 287 287 or visit the Workforce Victoria website at www.workforce.vic.gov.au.

Brotherhood of St Laurence-Saver Plus matched savings program

HELPING VICTORIANS SAVE

Saver Plus is a nationally-recognised program that pays people $1 for every $1 you save (up to $500) to help pay for education. By joining Saver Plus you could receive $500 to help pay for school items like computers, community activities, books, uniforms, sports fees & equipment.

The program is Australia's first matched savings program, designed to help families achieve a savings goal, establish a long-term saving habit and pay for education. It has been recognised by the government and received a Prime Minister's award.

To be eligible you must have:
- A child attending school in 2011-2012, or be intending to attend vocational training yourself in 2011-2012.
- A current health care card or pension card and
- Regular form of paid employment (yourself or partner).

Please contact Nicole Street at Brotherhood of St Laurence on 8781 5932 or email nstreet@bsl.org.au

WANTED!

ADULTS SEEKING $500 SAVINGS REWARD

Join the SAVER PLUS program.
Saver Plus is a matched savings program that could assist you:
- Reach a savings goal
- Become a regular saver
- Build your money management skills

For every dollar saved (up to $500) within a ten month period, the Brotherhood of St Laurence and ANZ will MATCH IT for educational purposes – either your own or your child’s.

THIS MEANS THAT IF YOU ARE ABLE TO SAVE $500 IN TEN MONTHS AND ATTEND 10 HOURS OF A FINANCIAL WORKSHOP THEN YOU WILL BE REWARDED $500 TO SPEND ON EDUCATION

ARE YOU ELIGIBLE?
You may be eligible to join Saver Plus if you or your partner:
- Have a current Health Care Card or Pensioner Concession Card
- Have regular income (you or your partner) from paid employment
- Are at least 18 years old
- Are a parent or guardian of a child at school or are doing a vocational training course yourself

For more information please contact Nicole Street, Project Worker, Brotherhood of St Laurence on 8781-5932 or email nstreet@bsl.org.au.
