A whirlwind Australian Tour

Five teachers and ten students from Aminuddin Baki Secondary School from Kuala Lumpur Malaysia voyaged on a 5 day whirlwind tour of Melbourne in the latter stages of February. As a sister-school partner to our College, the two schools were able to join forces to compare and contrast daily life as a student in each country.

The Malaysian students undertook research in the areas of English teaching strategies, information technology to enhance the learning capacity of students, as well as a focus on potential hands-on environmental awareness projects to introduce into their own school in KL.

All visiting teachers and students enjoyed an action packed adventure in their short 5 days - including a day and ½ in-school program at Western Port SC, a visit to two other local secondary colleges – Somerville S.C and Rosebud S.C, as well as a trip to the zoo, DFO and time in the city. In all three schools, the Malaysian students and teachers had many opportunities to see and discuss education in Victorian public schools and this was an exceptionally positive experience for all involved.

Students in Year 11 from Western Port are aiming to tour KL later in the year and certainly look forward to meeting up with the visiting students, as well as the other students whom they met through the email exchange program started at the College in 2009.

If there are any students interested in going on this tour (likely to be in the last week of the Term Three holidays and part of Term Four week one), please see Miss Blanch to register your interest.

Miss Blanch
Malaysian sister-school Coordinator
Hello to the Western Port Secondary College community. It has been great to see the progress of building works with steel construction going up last week. Soon we will be able to see the overall shape of the new gym and hospitality wing.

Recently we completed College Council elections and can announce that the parent representative vacancies have been filled by Karen Anderson and Andrew Hurst. The staff representative vacancies were filled by Hannah Lewis and Jacqui Smith. Office bearers are as follows, President: Mary Fleetwood Vice President: Andrew Hurst & Tim Herbert Treasurer: Jacqui Smith

We will be adding a new link to the website outlining the membership and business of College Council to keep the community informed of what is happening.

The College held its annual swimming carnival last month and it was great to see so many students participating in events on the day. I also visited the interschool carnival last week to present ribbons and was pleased to see so many students at the event. These students represented the College very well on the day and Tracey Hall was full of praise for the behaviour and participation of our students.

Currently the College is involved in a LOTE Improvement Project with the regional office. This has involved Thuy Ta visiting both Hasting PS and Hasting Westpark PS to work with the LOTE teachers and students. There will also be a series of activities between the schools through the year. We are also completing a short parent survey regarding the teaching of LOTE and would ask if you could complete this quick five question survey at this link.

http://www.surveymonkey.com/s/R27Y2QN

Recently we launched our new improved College website. We will be updating this through term one and recently added a new sections covering uniform and transition.

Organisational matters
If your child arrives late to school or is leaving early please supply a note with a reason. All students are to sign in/out via the front office. If your child has an unexplained absence by the end of period 1 you will be notified via SMS and can reply by SMS. Students are not to leave the College without approval during the school day.

The Beleza uniform shop is now open in Somerville at Shop 8-13 Eramosa Rd West. We have been pleased with uniform compliance this year. We would like to remind parents that shoes must be plain black polishable lace up or T-Bar style. If you are buying new shoes please contact the College if unsure, we have printed photographs of approved shoe styles, and these are also published on the College website.

The College has arrangements with Bata in Mornington and Carrum Downs for a 20% discount on College approved shoe styles as well.

Andrew Nicholls
Principal
I am pleased to report that the new building project is running according to schedule. Truckloads of steel framework for the new gym arrived on Wednesday and assemblage of the walls and roof has begun. We have had a huge crane in the car park all week and I would like to thank parents for putting up with restricted access to the car park on Wednesday.

We have also received notification from Mornington Peninsula Shire that Road Reconstruction Works will commence in High St over the next few months. Under the Federal ‘Roads to Recovery’ program, kerb and channel will be constructed, pedestrian links will be improved, drainage works will be undertaken and new street lighting installed. Partial road closures at various stages during the works are likely and delays to through traffic will occur. Access to the College will be improved and the power pole at the entry will be relocated.

The Western Port Environment Team (WET) met last week and students decided that the focus for term 1 and early term 2 would be increasing biodiversity in our grounds. We will be planting out our new wetland and have applied for ‘Land for Wildlife’ status for the bush block at the back of the school. Students completing the Certificate 2 in Conservation and Land Management will be learning about weed control as part of their course and will be involved in clearing weeds from the strip of bush between the College and Peninsula Health.

The Hands On Learning group from 2010 have been nominated for a Mayoral Sustainability award for the Wetland Project, in particular for the construction of the bird hide.
**From The Assistant Principals**

Last year the College was successful in applying for a funding grant from the Victorian Government and Youth Beyond Blue to organise an event for National Youth Week 2011. We have used the funding to run ‘Bounce Forward – Not Back @ WPSC’ on Monday 4th April with Sam Cawthorn as guest speaker. Sam is a Youth Futurist with the Federal Government and the 2009 Young Australian of the Year for Tasmania. In October 2006 Sam’s life changed forever when he was involved in a major car accident, where he was pronounced **dead**. He was resuscitated, but left with an amputated right arm and a permanent disability in his right leg. Sam was hospitalized for over 5 months and was told that he may not survive and best case was that if he was to survive he would never walk again. A year later he defied all odds taking his first steps into a new life, where his story would continue to **inspire** and change the lives of Australians and people all over the world. It was Sam’s difficult journey that enabled him to develop a mental resilience and strength that gave him the tools to miraculously recover from an accident that could have taken his life.

Sam’s story is simple, yet his message demonstrates that with a positive approach anything is possible. Sam will speak on the concept of “Bouncing Forward – Not Back”.

There will be three events during the day. The first will involve some of our Year 7 students, some students from local primary schools and some of our Peer Support Leaders and Beacon Ambassadors running a workshop in the morning. The second will be our annual Beacon Charter Signing involving all Year 10 students. Finally Sam will give a motivational talk to our year 11 students. Any parent interested in hearing Sam speak is welcome to attend the Beacon Charter Signing at 11.20am – please RSVP to Ms Gina Mathers on 5979 1577.

Michael Devine

**Assistant Principal**

---

**CURRICULUM**

**SAC process**

Last month we mailed out the SAC- Homework timeline and process for all year levels. In this booklet we outlined the process for non submission of tasks. This 4 step process is designed to give students a chance to submit the task past the due date at the discretion of the teacher. If the task is not completed the student will be reported for a Principal’s home work session on a Monday night. If this occurs you will receive a notification via mail with the date. Students are required to come prepared to complete the task in this time in the library.
Congratulations Caleb

Caleb Pavlovic of Year 7 astonished the crowd with his daring BMX riding and his trade mark 360 degrees back flip in the Western Port Day BMX Contest. Though Caleb competed in the “open” category his aerial feats and superior prowess and control resulted in Caleb taking out first place. Caleb’s BMX talents have been widely celebrated amongst his peers at WPSC who have enjoyed watching some video footage of Caleb’s recent successful Westernport Festival campaign.

Caleb and his family would like to acknowledge Pilgrim bmx and Sealy’s Cycles whose continuing support and sponsorship have contributed toward Caleb’s successes.

Music

This year, the school is staging the musical production “The Little Shop of Horrors”. A musical sci-fi comedy about a nerdy florist who finds his chance for success and romance with the help of a giant man-eating plant that demands to be fed.

After having gone through an audition process, the following students have been successful in gaining one of the lead roles.

Nick Laing - Mr Mushnik
Rachel Robins - Audrey
Kitlyn Bourke - Seymour
Tom McVey - Orin, the dentist
The girls - Margaret Carr, Emily Monck, Molly Walker, Tamara George, Kirsten Body, Rebecca Johns
The voice of the plant - Jak Vickers

There will be 3 performances, one matinee and two evening, held on Friday 24th and Saturday 25th of June. The venue is the theatre at Western Port Secondary College. Tickets will be available for the general public. More information to follow.

Instrumental music

A reminder to parents and students in Year 8 and higher, that all instrumental charges are now overdue. Information regarding these was sent out to all students a number of weeks ago. Failure to pay these fees by the end of the term will result in lessons being cancelled.
Swimming Record Breakers

**Jack SHKRELI** of Huon has broken **Joseph BRADY**'s record set in 2008 for the Boys 12-13 Butterfly 50m by a margin of: 3.33 sec/s. The new time is 45.04sec

**Jack SHKRELI** of Huon has broken **Zane CARGILL**'s record set in 2009 for the Boys 12-13 Backstroke 50m by a margin of: 1.77 sec/s. The new time is 47.69sec

**Simone JOHNSTON** of Encounter has broken **Stephanie LONG**'s record set in 2010 for the Girls 18-20 Backstroke 50m by a margin of: 1.79 sec/s. The new time is 43.79sec

Cerberus's record (2003) for the Girls 12-14 Medley Relay 4x50m has been broken by Cerberus by a margin of: 5.05 sec/s. The new time is 3min 24.06sec

Leeuwin's record (2005) for the Girls 16 Freestyle Relay 4x50m has been broken by Huon by a margin of: .47 sec/s. The new time is 2min 44.95sec

Leeuwin's record (2008) for the Boys 17 Freestyle Relay 4x50m has been broken by Cerberus by a margin of: 7.89 sec/s. The new time is 2min 23.11 sec

---

**ANNUAL HOUSE SWIMMING CARNIVAL**

Friday February 18th

Friday February 18th was the 38th House Swimming Carnival for Western Port Secondary College. The weather was perfect, not too hot or too cold making it a great day for both spectators and swimmers. Six records were broken by some outstanding performances. The students were exceptionally well behaved enjoying the atmosphere of the competition.

The quality of swimming has improved yet again on previous years. The enthusiasm shown by all students but particularly the Year 12s in the TV shows and movies parade was inspiring with the Muses and Tweedledum and Tweedledee coming equal first winning $10 each.

Thanks to all staff, parents and students for making this day a great success. The eventual winners were Cerberus whose last win was twenty years ago in 1991.

The scores were:

- Cerberus: 262
- Huon: 242
- Leeuwin: 203
- Encounter: 180

Thanks to all staff, parents and students for making this day a great success. The eventual winners were Cerberus whose last win was twenty years ago in 1991.
Congratulations to our age champions on their individual performances on the day some for the second or third year in a row. All age champions receive a gold medallion. The students second and third in their age groups receive a certificate.

Boys and Girls Tennis Year 9 & 10

After travelling to the Red Hill tennis courts and sitting through a 2 hour rain delay, our students were raring for action and play eventually got underway. In the girls 1st match, both the A and B teams had convincing wins over Mornington 6 - 0, 6 - 2. Their 2nd game against Mt Eliza produced a similar result, winning 6- 1, 6 - 2. Congratulations to the girls on their outstanding victory. They now move on and will represent the Peninsula schools at the next level of competition.

The boys also fought hard in both of their matches and played very competitive tennis. However they were finally outplayed and finished in 3rd place overall.

They are also to be congratulated on their sportsmanship and fighting spirit. All students represented the College in an exemplary manner.

**Girls Team:** Keeley Meijer, Emily Barnard Cuttriss, Kitlyn Bourke and Gemma Richardson.

**Boys Team:** Tom Johnstone, Kenny San, Harry Grasso, Tim Truong and Connor Larter.

John Heffernan

---

**House Athletics Carnival Tuesday April 5th**

The House Athletics Carnival is on Tuesday April 5th at the Athletics Track. All students are expected to attend as it is a normal school day; therefore a note for absences will be required. Barbeque sausages and drinks will be available. The day will follow the scheduled times of 8.50 a.m. to 3.00 p.m. Buses will depart at their regular times. All parents are welcome to attend.

The first House meeting will be on Tuesday March 15th and a follow up assembly is on Thursday March 24th to finalise participants. All students are encouraged to participate. It is a fun day with so many different events available.

Last year at the interschool level WPSC came third. This is a remarkable feat as WPSC is one of the smallest schools on the Peninsula. Hopefully this year with the support of students and parents we will achieve a higher position.
Peninsula District Swimming Carnival

On Thursday March 10th the interschool swimming team competed at the combined Peninsula swimming carnival at Pines Forest pool. The weather was a bit chilly with the sun rarely making an appearance. Over the course of the day a number of students swam well beyond what was asked. These students deserve as much credit as our ribbon place getters. All students performed to their personal bests but were outclassed by a stronger well-trained opposition. Thanks to staff, parents and students for their support. Overall Western Port came fourth a great team effort.

**Placegetters:**
- Rachel Long 2nd 16 years Breaststroke 50m
- Jack Shrkeli 3rd 12-13 years Butterfly 50m, 3rd Backstroke 50m
- Dane Anderson 3rd 16 years Butterfly 50m
- Daniel Reed 3rd 17 years Butterfly 50m
- Simone Johnston 2nd 3rd 18-20 years Butterfly 50m
- Jake Condieck 3rd 18-20 years Butterfly 50m
- Zane Cargill 3rd 15 years Backstroke 50m
- Jake Bromley 3rd 17 years Backstroke 50m
- 2nd Boys 16 years Medley Relay
- Relay members: Stephen Williams, Justin Rowley, Zane Cargill, Dylan Paarlberg
- 2nd Boys 16 years Freestyle Relay
- Relay members: Ben Jansz, Justin Rowley, Dylan Paarlberg, Rylan Wittmer

Beacon

Beacon Ambassadors (SBA)

At W.P.S.C we have seven Student Beacon Ambassadors (SBA); Georgia Horton, Rhys Bolitho, Mitchell Bell, Casey McDonnell, Shae Soden, Dylan Paarlberg and Renee Owen.

On Wednesday, 2nd March Georgia, Shae, Mitchell and Rhys were selected to attend the Beacon Ambassadors Induction forum at Waverly Park with fifty students from nearby Beacon Schools. We learnt more about Beacon and the programs we will be helping to organise for the students at our college.

In 2011 our goals are to integrate one major Beacon event at the Charter Signing. We will be hosting a forum with selected grade 6 and year 7 students with Sam Cawthorn an inspirational motivator. After their session with Sam the year 6 and 7 students will split into small groups and as Beacon Ambassadors we will teach them goal setting skills to use in the future.

The next session is the year 10 Bright Future Charter Signing. It is here that year 10s make a commitment to themselves to either continue studying or enter full time training or employment after year 12. Family and business guests attend offering support and sponsorship. After the ceremony we will entertain our guests with a light luncheon.

The last session our senior students will be inspired by Sam, to motivate them with their VCE journey.

Shae Soden
Dear Parents/Guardians

We have registered all of our students to use www.mathsonline.com.au. This program is sponsored by McDonalds Australia, and is FREE to our students.

Some of the features that this program has are as follows:

- Every lesson has a pause and rewind facility to help students grasp concepts at their pace.
- Every lesson has an accompanying printable summary and worksheet to consolidate the concept, with full worked solutions provided also.
- A student’s ongoing use and progress in the program is stored for their and their teachers’ perusal at any time.
- The program can be accessed from any internet ready site, not just at school.
- The entire Year 7-12 program is available to every student, not just their particular year group or course.
- Parents may register to get weekly updates on their students program use and progress, by clicking on the ‘Parents area’ tab within their students account.
- Many more features will also be made available on-line over coming months.

Whilst the program covers most of the concepts that we teach, the school wishes to make it clear that it was never intended by its creators to replace the work that our mathematics teaching staff already do. This program is best used as a support/supplement to the classroom teaching/learning experience.

All students will be issued with their unique logins and passwords over the next few days by their Maths teacher, and are encouraged to use this resource as directed by their own teacher. If your student does not have their login they can see either their Maths teacher or Ms J. Smith in the Hex office.

Jaqui Smith
Maths Co-Ordinator
During the summer school holidays 8 students from the College enjoyed a winter wonderland in the USA. Our first stop was the beautiful San Francisco where we got to walk across the Golden Gate Bridge, catch a ferry across to Alcatraz and have a limo tour after dining at the Rainforest Cafe. Our second part of the trip was the hosting period at Cascade High School in Seattle which welcomed us with snow showers on arrival and we got to visit the Space Needle, the Music Centre, an underground tour and a day in the snow. Once we said our goodbyes to our host families who were all so hospitable and friendly, we spent time in LA where we enjoyed Disneyland, Knotts Berry Farm, Universal Studios and a trip down to San Diego.

Overall the 20 days spent in the US were an awesome experience and even though we missed our friends and family we didn’t really want to come back home.
Water – a Vital Nutrient

The human body can last weeks without food, but only days without water. The body is made up of 55 – 75 per cent water. Water forms the basis of blood, digestive juices, urine and perspiration and is contained in lean muscle, fat and bones.

As the body can’t store water, we need fresh supplies every day to make up for losses from lungs, skin, urine and faeces. The amount we need depends on our metabolism, the weather, the food we eat and our activity levels.

Dehydration occurs when the water content of the body is too low. This is easily fixed by increasing fluid intake. Symptoms of dehydration include headaches, lethargy, mood changes and slow responses, dry nasal passages, dry or cracked lips, dark coloured urine, weakness, tiredness, confusion and hallucinations. In extreme cases, kidneys will fail, the body becomes unable to remove toxic waste products and death may occur.

Causes of dehydration may include:

- Increased sweating due to hot weather, humidity, exercise or fever.
- Not drinking enough water
- Increased output of urine due to a hormone deficiency, diabetes, kidney disease or medications
- Diarrhoea or vomiting

Women who don’t drink enough water are at increased risk of urinary tract infections. There is also some evidence to suggest an increased risk for some cancers including bladder cancer and colon cancer. If you don’t drink enough water, your physical and mental performance can be impaired.

Recommended daily fluids
Approximately six to eight glasses of water (1.4 – 1.9L) should be consumed per day. People who are physically active or when the weather is hot will need to drink more than this.

If you’re exercising and sweating, drinking water is doubly important. When you sweat a lot, your body loses even more water than normal. The more you exercise and the more you sweat, the more water you’ll need to drink.

We strongly recommend that students carry their own water bottles with them throughout the day and fill up as necessary. This will be a reminder that they need to stay hydrated throughout the day. Soft drinks are not to be taken to class and whilst soft drink can hydrate us it also contains a large amount of sugar. Some soft drinks also contain caffeine, which actually increases fluid loss.

For more information go to:
www.betterhealth.vic.gov.au
www.kidshealth.org

Sharing of drink bottles should be discouraged because of risk of cross contamination of diseases such as flu, hepatitis, meningococcal meningitis and other infections.
Important Information
Process for students Re Attendance

It is expected and important that all students attend Form Assembly. This is where notes, indemnity forms and other important information is handed out and discussed. If your student is late or missing from Form Assembly an SMS informing you of their absence will be sent to you.

To avoid this, any student arriving late should:

- Have a note and proceed via the general office where a late pass will be issued. If the absence is with a note, or approved from home the SMS will be cancelled.
- If there is no note, it will stay on the student’s record that they were late.
- The student will be issued with a pass that they must hand to the form teacher who will change the roll.
- If this process is not followed and the student presents straight to class without a late pass the SMS message will still be sent. This can also occur if they arrive during session change.
- Please ensure your student is aware that they must proceed via the office to be marked present if late.

It is also expected that students will have a note from home with a valid reason for their lateness. This causes unnecessary interruptions and disrupts the entire class. The only exception is VCE students with registered study periods.

Please also note that students are not to leave messages for themselves. If this does happen these messages will be disregarded.

Pre loved Uniform Items Wanted.

In 2011 we would like to offer a pre loved uniform service to our WPSC community. Items must be current official WPSC uniform, in as-new condition and freshly laundered. If you would like to help get this service off the ground, please forward items with contact details securely attached to the school office. This is a trial for 2011 and it is anticipated that, as uniform items are purchased, (at up to half RRP), monies will be forwarded to sellers.

Thank you for your support.

Lynne Lee
Community Notice Board

**Cabaret Cafe**

In October 2009, The Cabaret Café wowed audiences whilst raising over $65,000 in support of Peninsula Hospice Service (PHS), a local not-for-profit organisation that provides palliative care in the home and now they’ve reassembled to do it all again over four shows.

Showcasing some of the Mornington Peninsula’s most talented musical theatre performers, The Return of The Cabaret Café is a musical show set in an intimate café setting on stage where cast are invited to ‘sing for their supper’ with hit songs from great musical theatre while the audience watch on from conventional theatre seating.

The Return of The Cabaret Café will be performed at the Peninsula Community Theatre, Wilsons Rd, Mornington over four shows:
- Friday March 25th at 7.30pm,
- Saturday March 26th at 2pm and 7.30pm
- Sunday March 27th at 2pm.

Tickets are $35 each and can be booked by phoning 9775 2146.

Medicare Teen Dental Plan Voucher

Does your child have a teen Voucher?

If so please call Reception at Hastings Family Dental Care on 59791717 to arrange a FREE dental visit for your child.

Here at Hastings Family Dental Care this service is BULK BILLED so there are no out of expense fees which means that you do not have to pay any money for your teens check-up and preventative treatment. Just present the voucher with your child’s Medicare card at the appointment.

The teen dental plan has been initiated by the government to provide financial assistance to eligible families to help assess the health of their teenagers’ teeth and to introduce preventative strategies to encourage lifetime good oral health habits. Parents are reminded that teenagers are at a particularly vulnerable period of their lives when they can be highly susceptible to oral disease such as tooth decay and gum disease for a variety of reasons and so are urged to make use of their opportunity to access this free voucher.

If you have misplaced your Medicare Teen Dental Voucher call Medicare on 132 011 to request a replacement.
