On the 19th August, the year 9’s went on the ‘Big Day Out’ careers day expo. I was on the Hands On bus and it was a lot of fun. Bluescope Steel came to us in the morning and gave a presentation about job opportunities at the site in Hastings and within other sites. After that we went to the Cerberus Defence Force Base. We got to have a go on the weapons training simulator and everyone had lots of fun. We then got some lunch and went to Coolart Bus & Coach and talked about opportunities as a bus driver. The last stop was the Mornington Police Station. We had a full tour of the station and had a look in cells and then spoke about the different types of Police roles. I think everyone had a good day and most people got a lot out of it and I now have a better idea of what jobs there are and what we have to do to get them.

Liam O’Connor 9C
From The Principal

Hello to the Western Port Secondary College community. We are now approaching the end of Term 3 and students need to be aware that with early rollover the semester will end very quickly. Please make sure you check your major tasks timeline and maintain good diary organisation to maximise your ability to complete the semester well.

In Week 6 of this term we held our annual Discovery Day for local Grade 5 primary school students. The groups completed a range of activities, including the “Amazing Race”, and saw what secondary schooling life will be like. I visited many classes and was impressed with the range of activities that were offered. I would like to thank Tanya Blanch for her organisation of this week and the many students and staff that helped with the running of the days.

On the 21st August we held our annual Debutante Ball at Springvale Town Hall. This was a wonderful night for the twenty seven debutantes and their partners. The standard of the dancing was very high and reflected all the hard work that has gone into the practices with the dance teacher Susan Bollard. We were entertained with two sets of dances on the night. Many thanks need to be given to Jane Evans who coordinated the event with the assistance of Year 11 Coordinator Sam Asaad.

On the 28th August Western Port Secondary College hosted the first Youth Taiko Spectacular at the Drum Theatre in Dandenong. This was an amazing event that showcased six drum groups from various schools and was generously hosted by Mr Johan Scheffer MLC on behalf of the Victorian Arts Minister. There were drum groups from both primary and secondary schools who also participated in an afternoon workshop with Mr Toshi Sakamoto to produce a final ensemble piece with seventy drummers. I would particularly like to thank Tim Bridge who initiated and coordinated the event which was a huge effort. Thanks also need to go to Helen Booth, Sue Iles and Kevin Berry who assisted on the day. At the end of the event I spoke to Mr Yasufumi Kotake who represented the Japanese Consul-General and who was most impressed with the standard of the event.

On the 2nd September I visited the inter school athletics day at Ballam Park and was impressed with the performances of our students. We were highly competitive on the day due the great work done by Tracey Hall and the PE staff.

This month we have completed a new uniform tender process and will be changing suppliers to Beleza from next term. We were impressed with the quality of their uniform and should also see a significant cost saving on a number of items. We will inform parents of this and opening hours once hand over is completed.

Organisational matters
Report afternoon on 7th October will start at 1.30 pm and finish at 7.00pm with students dismissed at 1.00pm on the day. It is important you make an interview time with your child’s teachers to discuss progress.

If your child arrives late to school or is leaving early please supply a note with a reason. All students are to sign in/out via the front office. If your child has an unexplained absence by the end of period 1 you will be notified via SMS.

We are now expecting all students to be in correct uniform as stated earlier. We would also remind families that students are required to have the correct jumper with cooler months ahead. The College will not accept students wearing other tops and in particular “hoodie” style tops. Students are not to wear other clothing that hangs out under uniform items such as long sleeve tops under polo tops.

We recently met with representatives from South East Water to look at the site for our new wetland in the Outdoor Classroom. We have certainly had a significant amount of rain and shouldn't have any trouble filling the new wetlands!! Volunteers from South East Water will be assisting us with this project. Work will commence on preparation and excavation of the site in term four. John Eldridge, Michael Rigby and I met with Brian Thomas, the Head Ranger from Coolart Wetlands to seek advice about our plans for the wetlands. We hope to take the students from the Hands on Learning and Active Learning groups on an excursion to Coolart and Balbirooro Wetlands at Balnarring Primary School to see what an established wetland looks like. This is a very exciting project and will provide a wonderful resource for students and significant learning opportunities. The Hands On Learning groups have finished the structural component of the new wall at the front of the school and now all that needs to be done are finishing touches: a final coat of render and plantings along the front. The students can be very proud of what they have achieved and the contribution they have made to the beautification of the school. We have had news from the school architect that the next Building Project, construction of the gym and new food tech wing has proceeded to tender. We are hopeful that work will commence on this towards the end of the year.

I have had the pleasure of visiting every year 7, 8 and 9 class in the last week with year 9 students from the Student Action group. These students have presented The Student Action Groups’ ideas for improvements in learning, teaching and curriculum to all Middle Years students for endorsement and feedback. Senior representatives will also be canvassing the opinions of senior students over the next week. The students will then be preparing a presentation to staff around their ideas for change. It has been interesting listening to what students have to say about how they learn best and what makes best teaching practice. I will include a summary report of the students ideas in the next newsletter. I hope that all students enjoy a safe, happy and productive holiday.

Hannah Lewis
Assistant Principal

In the last newsletter I wrote about several of our students who had participated in a Community Arts Day hosted by the Westpac Bank. Since then, I attended a function where two of those students won first and second prize for the quality of their works, they were Amanda Dunn and Sam Owbridge respectively. At the same function all of the artwork was auctioned off for charity and I am very pleased to advise that our students artwork alone raised over $1000.00. This money will be donated to the Blue Light Boxing program run by the Hastings police for young people in the area. Well done and thanks to the other students involved; Kayla Bentley, Rebecca Abbott and Trevant Amani.

As we head toward the final stretch of the school year, all senior students particularly Year 12’s need to start steadily preparing for forthcoming exams. Year 12 students will soon be given the opportunity to attend study sessions for a range of VCE subjects hosted by Monash University. Details of these sessions will be given to students soon.

Finally, during the holidays Monash Peninsula Campus will host an open day “Experience Peninsula 2010”. This program is a free event that is open to Years 10 to 12 students and their parents. Students interested in attending should go to the website and register on line.

On a freezing cold day we took off to Ballarat for a day at Kryal Castle as part of our History class. It was really cold up there and everyone was shivering. To get into the castle we had to cross a drawbridge that was over a moat. **Wade**

My favorite part was the torture chamber, it was a display on how people were punished and tortured. Prisoners were handcuffed to chairs and walls, and hot oil was thrown on them. The one I liked was the wheel scraper, where a person would be chained to a big wooden wheel and it would rotate around, as they went down to the ground they would be scraped by sharp spikes sticking up from in the ground. **Bethany**

We were shown how the king and princess were dressed. The powerful people would dress in purple silk (the most expensive piece of clothing). The poor people would wear a blue dress and hardly any skin covered. **Tayla**

Despite the cold weather we headed up to the stone maze. For a little maze it was pretty hard to find the exit! After being freaked out and amazed at the wax torture chamber we made our way to the oval where our group was divided into red and blue teams. It was fun battling against the other group. **Dayna**
Hi, Ted Lemon here, I’m here to write about connect. Connect is a place that I have been going to after school on Monday’s. Connect is not just a place to have fun, it’s a place to go if want to meet new people and spend time learning about team work and playing wii. The best experience I’ve had at connect would be making portfolios. Some of the cool things we have done at connect has been playing wii, hackysack golf, volleyball, janga, uno, uno janga and some games from the TV show minute to win it.

So if you are in year 7, 8 or 9 and want to wander down to room 6 on a Monday afternoon, come and have fun with us from 3:15-4:30.

Ted Lemon

Is Your Child not enjoying school?

If they are in years 7-9, Encourage them to come along to

Friday the 20th of August saw the final launch of the Travel Smart initiative. The event provided an opportunity for the schools involved; Western Port Secondary College, Hastings Primary School, Hastings Westpark Primary School and St Mary’s Primary School and the local council to showcase their endeavors. The project sought to promote active transport and making Hastings more pedestrian friendly for school communities. The council has implemented many new infrastructure changes such as additional footpaths, seats and totems poles and the park and stride areas which facilitates the travel plans of each school. Each school has contributed beautiful mosaics that are to accompany the totem poles, Jean Sheridan’s year 9 art class designed the mosaics for Western Port. These were created by students that volunteered from across year levels and are pictured below.
Across the Story Bridge - Book Week 2010

This week the Book Week theme “Across the Story Bridge” challenged the engineering skills of the library staff! We thought it would be a great idea to build a bridge out of books, but that did not prove as easy as we’d thought. However, we did manage to come up with two different versions which remained standing for two weeks.

Students in year 7 and 8 reading classes participated in an internet scavenger hunt of book and author websites. We also ran a competition to complete 25 book titles containing the word “bridge”. The competition was won by Ashleigh Deahm of 7D, who won a $20 book voucher. Congratulations Ashleigh!

Just remember, it’s always Book Week in the library.

Literacy Week

Sean Wilmore and Mark Wilson were the guest speakers that our class went to see as a part of the 2010 Literacy Festival.

“I liked the drawing session with Mark Wilson, because you could see how easy it was to make great pictures, by simply using ordinary shapes.” Jenna Cook 7B

“Sean showed us some videos of his life living overseas as a ranger. Everyone laughed when a female elephant charged at him.” Gordon Frankel 7B

“It was really interesting to see how easy it can be to become a writer based on real life adventures.” Erin Boyle 7B

Both Sean and Mark were very enthusiastic in their sessions and they showed a clear interest in their areas that made us see and think about different career paths. We hope to be involved in the Literacy Festival next year as helpers.

Students of 7B

A huge thanks to our wonderful helpers

Important Information
Process for students Re Attendance

It is expected and important that all students attend Form Assembly. This is where notes, indemnity forms and other important information is handed out and discussed. If your student is late or missing from Form Assembly an SMS informing you of their absence will be sent to you.

To avoid this, any student arriving late should:

- Have a note and proceed via the general office where a late pass will be issued. If the absence is with a note, or approved from home the SMS will be cancelled.
- If there is no note, it will stay on the student’s record that they were late.
- The student will be issued with a pass that they must hand to the form teacher who will change the roll.
- If this process is not followed and the student presents straight to class without a late pass the SMS message will still be sent. This can also occur if they arrive during session change.
- Please ensure your student is aware that they must proceed via the office to be marked present if late.

It is also expected that students will have a note from home with a valid reason for their lateness. This causes unnecessary interruptions and disrupts the entire class. The only exception is VCE students with registered study periods.

Interim Reports

At this present time teachers are writing interim reports for all students. The reports will be distributed to students at a form assembly at the end of the last day of term 3 - Friday the 17th September. Reports not distributed due to student absence will be given out to students on the first day back term 4 - Monday 4th October. Students will need to book interviews with their subject teachers during the first week back. Booking slips will be given to students with their reports.

The parent/teacher/student interviews are designed to provide parents the opportunity to meet together with their child’s teacher to discuss progress, identify areas for future development and set goals. Students will participate in normal classes for sessions 1, 2, 3 and 4. Students will attend school on the interview day until 1pm. It is an expectation that students will attend the interviews as part of their Thursday program.

Parent/teacher/student interviews will take place as follows:

1.30 – 4.30 - Interviews
4.30 – 5pm – Tea break
5pm – 7pm – Interviews

Year 12

Last Thursday night year 12 teachers met with parents and students to discuss progress as it is fast approaching the end of 12 year 2010 and with that comes the year 12 exam period. This is a very important time for our year 12 students as their future pathways will be decided in the next couple of months. We wish them every success.

If you were not able to attend the interviews on that occasion you certainly can book interviews with your child’s subject teachers on Thursday 7th October.

If you have any queries regarding the Parent/teacher/student interviews please contact me at the College during business hours

ART ATTACK

Welcome to our monthly arts catch up. So much has happened since the last update I am unsure where to start. The year 11 and 12s art studio art and visual communication students have all been to see the Tim Burton exhibition in ACMI last week. Tim Burton directed and designed such films as Edward Scissor Hands, Nightmare Before Christmas, Corpse Bride and Alice in Wonderland. It was a very exciting and inspirational exhibition, featuring his drawings and animation from his college years up until the present day.

We have started doing life drawing on a Thursday after school, we have a keen group of staff and students all working together and learning how to draw. I have been amazed at just how much everyone's drawing skills have improved. We will continue this into fourth term with another series of workshops.

Year 11 and 12 art students where invited to be part of the opening of the Hastings branch of the Westpac bank. The bank organised a community arts day where we were invited to go to and create artworks during the day. So off we set, ready to paint and draw all day. We did lots of chalk drawings on the pavement, painted, drew and photographed our surroundings. We created lots of artworks, which were auctioned off to raise money for the Blue light Boxing. These were auctioned off at the opening celebration of the new bank refurbishment. At this celebration Kayla Bentley of year 12 won a $200 prize for her art work, which when auctioned raised $400, her work is being displayed in the managers office. Sam Owbridge of year 11 also won a $100 prize for his art work, which raised a further $240 when auctioned. Amanda Dunn and Rebecca's art works where also auctioned and raised $180. Well done to everyone who was part of the day.

We have now finished the travel smart mosaic pavers, these will be set in the ground around Hastings, they are part of the coloured footprints that can be seen along the front of the school. This project is nearly completed, when it stops raining we will complete the footprints. Thanks to all who have helped with this project. See them on the Travel Smart section of the newsletter.

Well done all

Jean Sheridan

We look forward to showing you around!
SPORT

On Thursday September 2nd two buses of 80 WPSC students travelled to Ballam Park to compete in the annual Peninsula Sports Athletics Championships. The level of participation was outstanding and the commitment of all those involved was a credit to themselves and the school.

Thank you to the helpers, parents, and teachers and most importantly to the students for their dedication and enthusiasm. Hopefully these successful performances will continue for many more years as long as the students are prepared to participate and strive for excellence.

Year 8 “Futsal” - Indoor Soccer Competition.

Recently Western Port S.C took part in a five team comp against , Dromana, Rosebud, Mount Eliza & Mornington Secondary colleges. Western Port won 3 games (one by 12 –11) and drew one, which resulted in us being in the Grand Final against Mornington. We won this 6-3. Well done to the team consisting of Aidan Cuttiss, Laz Cuttiss, Kate Johnston, Lachlan Sigge, Jake Tzanapoulas, Jack Sonneveld, Corey Higgin and Mitch Dooley.
A big thanks to Jarryd Lymer for assisting and to Mr McEvoy for coaching us.

Year 7 Basketball
On Wednesday August 25th the year 7 basketball teams went to Rosebud Secondary College for the clash against the other five schools in the Peninsula competition. There were two pools and we played Rosebud first. The girls had a convincing win 31-2 , then against Mount Eliza another win 15 –5. This put us through to the final against Dromana , where although we fought hard, we were defeated 21—11.
The boys put in a valiant effort as well, and although didn’t have a win, came in 5th in the 6 team comp. Thanks to the support from parents and the year 9 helpers. Well done to all participants on their team spirit and great sportsmanship. Thanks also to Mr Wilson for coaching us.

Coles Sports for schools program

From Thursday September 2nd until Sunday October 31st for every $10 spent at Coles Supermarkets, Coles online & Bi-Lo, customers will earn a Coles Sports for schools voucher worth 1 point, given at the checkout. Could students collect these vouchers from, family, friends and neighbours and drop them into the voucher collection bin which is located at the front office. At the end of the collection, points will be tallied and new sporting equipment can be purchased for the school. Please help with this great opportunity to increase our sporting merchandise which will benefit all students.

Entry forms available at school
All arrived at Springvale Town Hall in high spirits in an array of limo's, girls looking very glamorous, boys handsome. Photo's and the filming for the DVD started the minute everyone arrived. The caterers (The Grand International Catering) supplied a wonderful meal. The Debutantes and their partners glided around the floor with confidence after many hours of lessons with Ms Susan Bollard. There were a lot of proud family members watching from the sidelines. The Deb set did the school proud. Thank you to Jane Evans and all involved in the running and organisation of the Deb Ball for 2010.

BREAKFAST CLUB

We would again like to take the opportunity to sincerely thank the Uniting Church of Hastings who offer our students a delicious breakfast Thursday mornings. This has been very welcome, especially on those freezing winter mornings. We would also like to offer another huge thank you to Gourmet River Meats.
