

Uniform Guidelines

The College Uniform has been designed to achieve a neat and tidy appearance for all students. Experience has shown that the wearing of uniform improves both the general appearance and behaviour of students and contributes markedly to the college tone. It is also shown that uniform is the most economical form of college dress because of its durability.

The wearing of uniform is compulsory and strongly endorsed by the College Council and the staff. Failure to wear uniform is regarded as a serious breach of college rules. All items of clothing are required to be clearly marked with the student's name.

Black shorts or black/green pleated skirt, white socks and non marking runners and a school sports polo-shirt in black with a green and white strip can be purchased from the uniform shop. Dark track suits may be worn during the winter months. It is preferred that students bring a substantial change of clothes rather than not participate. Students competing in events representing the college are expected to be in full college uniform for the event. **Singlets are not acceptable.**

It is expected that students will wear the uniform at all times. Breaches of uniform guidelines will receive a consequence.
