HOMESTAY FAMILIES

Western Port Secondary College is seeking expressions of interest for homestay providers for inbound students from our International Program.

Homestays are a great way to learn about other cultures and can deepen your appreciation for our Australian lifestyles.

You can start with a short term homestay and see how much you enjoy it. Homestay providers receive \$280 a week to cover full board costs.

For further information contact the college via phone or email western.port.sc@edumail.vic.gov.au
