All prospective volunteers are required to comply with our school's Volunteers Policy, including in relation to assessing the suitability of prospective volunteers and obtaining checks required under this policy.

All people engaged in child related work, including volunteers, are required to hold a current Working with Children's Check and are to provide evidence of this. See 'Working with children check' website www.workingwithchildren.vic.gov.au for further information.

Training and supervision

Training and education is important to ensure that everyone in the school understands that child safety is everyone's responsibility.

Our school culture aims for all staff and volunteers (in addition to parents/carers and children) to feel confident and comfortable in coming forward with any allegations or suspicions of child abuse or child safety concerns. We train our staff and volunteers to identify, assess, and minimise risks of child abuse and to detect potential signs of child abuse. This training occurs annually or more often as required.

We also support our staff and volunteers through ongoing supervision to develop their skills to protect children from abuse, to promote the cultural safety of Aboriginal and Torres Strait Islander children and children from linguistically and/or diverse backgrounds, and the safety of children with a disability and vulnerable children.

New employees and volunteers will be inducted into the school, including by being referred to the Child Safety Policy (this document), the Child Safety Code of Conduct, and the Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures on the New Staff Induction Pre-Reading handout and the school intranet. Additionally, these policies and processes will be explained in the induction presentation to new staff.

They will also be supervised regularly to ensure they understand our school's commitment to child safety, and that their behaviour towards children is safe and appropriate. All employees of our school will be monitored and assessed via regular performance review to ensure their continuing suitability for child-connected work. Any inappropriate behaviour will be reported by school staff to the Principal or Assistant Principal and will be managed in accordance with Westernport Secondary College's Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures where required.
