

FIRST AID POLICY

Help for non-English speakers

If you need help to understand the information in this policy, please contact the college:
03 5979 1577

PURPOSE

To ensure the school community understands our school's approach to first aid for students.

SCOPE

First aid for anaphylaxis and asthma are provided for in our school's:

- *Anaphylaxis Policy*
- *Asthma Policy*

POLICY

From time to time Western Port Secondary College staff might need to administer first aid to students at school or school activities.

Parents/carers should be aware that the goal of first aid is not to diagnose or treat a condition.

Staffing

The Principal will ensure that Western Port Secondary College has sufficient staff with the appropriate levels of first aid training to meet the first aid needs of the school community.

First aid kits

Western Port Secondary College will maintain:

- a major first aid kit which will be stored Administration Office/First aid room
- 3 portable first aid kits which may be used for excursions and 1 larger kit for school camps. These kits are stored in the first aid room. These kits are to be booked out with the first aid coordinator no less than 48 hours prior to departing on excursion. Upon returning kit/s to first aid coordinator provide an account of any items used so that kits can be easily maintained.

First aid Administrator– Tracey Asquith will be responsible for maintaining first aid kits.

Care for ill students

Students who are unwell should not attend school.

If a student becomes unwell during the school day, they may be directed to the relevant attendance office. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

Students that are too ill to return to classroom are to be sent home. Western Port Secondary College has no provision to care for ill students.

First aid management

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- staff who have been trained in first aid will administer first aid in accordance with their training. in an emergency situation, other staff may assist in the administration of first aid within their level of competence
- in a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact triple zero “000” for emergency medical services at any time
- staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- if first aid is administered for a minor injury or condition, Western Port Secondary College will notify parents/carers by phone or via Compass post.
- if first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical
- if staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.

Whenever first aid treatment has been administered to a student Western Port Secondary College will:

- record the incident on CASES21/write up in first aid log book held in administration office
- if first aid was administered in a medical emergency, follow the Department’s [Reporting and Managing School Incidents Policy](#), including reporting the incident to the Department’s Incident Support and Operations Centre on 1800 126 126.

In accordance with guidance from the Department of Education and Training, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- available publicly on our school’s website and Compass
- included in staff induction processes/staff handbook and staff training
- discussed at staff briefings/meetings as required
- included in transition and enrolment packs
- discussed at parent information nights/sessions
- reminders in our school newsletter
- hard copy available from school administration upon request.
