Inclusion and diversity

Western Port Secondary College is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Western Port Secondary College acknowledges and celebrates the diversity of backgrounds and experiences in our school community, and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Western Port Secondary College, we value the human rights of every student, and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Western Port Secondary College will:

- actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, camps and excursions) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Western Port Secondary College. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Western Port Secondary College also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult with parents or guardians through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact the school and request to speak with our Programs for students with Disabilities (PSD) Co-Ordinator for further information.
