

COLLEGE CONTRIBUTIONS 2026

Western Port Secondary College along with all government schools, provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Extra- curricular items and activities are provided on a user-pays basis.

Ongoing and continued support from our families regarding financial contributions to our College has ensured our school can go beyond offering a standard curriculum program and allow our students to have a wide choice of subjects to pursue their chosen pathways. ***Working with our School Council we have ensured our school contributions remain at one of the lowest levels in the state.***

We believe our students deserve the best possible opportunity to thrive and pursue their wide range of passions in state-of-the-art facilities as they move through our College and onto the next chapter of their lives.

Student well-being is a key priority, and we strive to develop our student's personal and social skills to become confident, resilient, and valued members of the community. Your continued support has allowed us to create this environment in our College and the resources required.

Our Senior and Junior hubs are now completed with our students using our state-of-the-art equipment and furnishings. We are committed to further enhancing the rest of our college with the latest equipment and resources to continue to support learning and well-being.
